Volume : 09, June 2010-May 2011

Editorial:-

Established in 1971, B.H.B. College is an outcome of tireless efforts of the local rural people with the motive to improve higher education in the vast area. Continuous efforts have been made to fulfill the hopes and aspirations of those people by adopting various measures in the College. The institution is seriously and actively concerned with its academic as well as social responsibilities. Events like organising seminars, holding of literary activities, Free medical checkup camp for economically backward people, performance of brilliant N.C.C. & N.S.S. activities etc. are the major activities that College has initiated to enrich both physical and mental upliftment of the students to meet up the challenging situation.

“College news Bulletin” is the mirror that reflects the actual picture of the College. In the challenging situation for higher education, the rural based B.H.B. college, Sarupeta with a view to meet the situation, adopts a good number of efforts to sensitize the students to the new concept of higher education like developing the skill of English speaking, organised departmental seminars, enriching creative skills by publishing wall magazines by the departments, active functioning of N.C.C. and N.S.S. unit of the College, and various social activities by the extension education cell of the College. I wish this is a laudable venture in view of the quality education on the right track.
