From the Principal's Desk

At the outset, I look on it as my privilege to offer hearty welcome to all of you. Bhawanipur Hastinapur Bijni College, abbreviated as B. H. B. College, has a glorious history like the greater Sarupeta it is situated in. The college is the result of the relentless endeavours of some visionaries of this locality, who could realize the importance of dissemination of higher education among the poor common folk inhabiting in three historically and culturally significant mouzas, namely Bhawanipur, Hastinapur and Bijni, and their selfless efforts bore fruits in the form of B. H. B. College, the first of its kind in this vast area, on the first of July in the year 1971. Late Rajanikanta Choudhury, a man with a dream as well as great diligence, took the reign of the college as its founder Principal. Since then, this college that is in its Golden Jubilee now, has been marching forward, aiming at its desired goal of catering to the needs of the students who come here with a dream to make themselves capable of serving the society as well as the nation by equipping themselves fully with excellence in education and other areas of human endeavours.

This college has been able to obtain B++ Grade with CGPA 2.78 in the seven point scale in the assessment and accreditation by the NAAC in 2016, and it keeps a promise in its heart to shine brighter in the coming days. It is getting ready for the Cycle III of the NAAC assessment and accreditation.

The college is now ready to gear up more to meet the recent challenges of higher education and keep itself in tune with the need of the hour. In the wake of the Government of Assam's positive gestures as regards introduction of the Science stream in this college, we are nurturing the hope to see a significant dream of ours to come true.

Dr. Birinchi Kumar Das
Principal
B. H. B. College, Sarupeta

Introduction

Established on the 1st of July 1971, Bhawanipur Hastinapur Bijni (B.H.B.) College, an institution of higher learning at Sarupeta, has been imparting higher education to learners belonging to the economically backward region that comprises three revenue mouzas, which are mentioned in the very name of the College. Located in Bajali District, B. H. B. College is the oldest institution of this kind in 41-Bhawanipur Legislative Assembly Constituency, a segment of 5-Kokrajhar Parliamentary Constituency of Assam, which is a reserved seat for scheduled tribes.

The indomitable will and spirit of some visionaries of this locality, and their realization of the importance of higher education combined with their sheer persistence paid dividends, as their dream was translated into reality with the establishment of the college. The prime objective behind establishment of this college was to have an institution at close quarters that could help the people here have ready access to higher learning. The economically backward people of this locality had earlier found it quite difficult to afford for their wards higher education at far off places, and the college emerged as a beacon to illuminate their path towards social and economic progress. The vision of the college includes providing education to students belonging to SC/ ST/OBC and to minority communities. The thrust is also on providing education to girl students, who, both qualitatively and quantitatively, are moving forward fast.

Affiliated to Gauhati University, B. H. B. College, Sarupeta has also been included under 2(f) and 12 (B) of the U.G.C. Act, 1956. The college, with its band of dedicated teachers, excels in imparting quality education to students and at the same time, in instilling in them the moral and ethical values necessary for living in consonance with others. The college is a medley of students belonging to different ethnic groups coexisting in perfect harmony. The college leaves no stone unturned to provide them with the wherewithal both academically and ethically so as to enable them to face the challenges of life the changing world scenario has thrown in, and also to turn them into ideal citizens full of character and nationalistic feelings. Students of this college are given opportunities of all sorts to open themselves up, to showcase their innate talent and also to realize their tremendous potential.

Some Important Points of Under Graduate Choice Based Credit System of Gauhati University

- (i) The academic work in each semester will require the student to engage with chosen courses, the content of which will be described in detail in the syllabi. Every course will have defined learning objectives and may be designed to comprise lectures, tutorials, laboratory work, field work, project work or any other activity that addresses the learning objectives of the course.

- 2) Each course will have credits, assigned on the basis of course related activities, which a student will earn through satisfactory fulfilment of the academic requirement of the course.
- 3) An undergraduate degree programme with Honours in a discipline will have a course credit requirement of 148 credits while an undergraduate degree program without Honours will require a student to earn 132 course credits. Students in an Honours programme can opt to earn additional credits by undertaking additional Elective courses subject to the condition that the total number of course credits does not exceed 160 credits. For a student in a Regular programme, this credit ceiling will be 140 credits. The credits earned beyond the mandatory programme requirement will not be taken into consideration in computation of the student's grade but will be recorded in the grade sheet.
- 4) The medium of instruction and examination will be English and/or Assamese, except in language courses.

Nature and Nomenclature of Courses:

- 1) In line with the UGC's guidelines, the courses are categorized as Core courses, Elective courses or Ability Enhancement courses
- 2) **Core Course:** A Core course is a course that has to be compulsorily studied. A student in an undergraduate degree programme with Honours will have to take up 14 core courses, each of 6 credits. In a Regular undergraduate degree programme a student will need to take up 12 core courses, each again of 6 credits.
- 3) **Elective Course:** An Elective course is to be chosen by the student from a pool of such courses on offer and will essentially be of three types:
 - a) **Discipline Specific Elective Course:** An Elective Course which is offered by the main discipline. The discipline offering a Discipline Specific Elective course may also offer discipline related elective courses that are interdisciplinary in nature. A student enrolled in an undergraduate degree programme with Honours will have to earn 24 course credits from Discipline Specific Elective courses. For a student enrolled in a non-Honours undergraduate degree programme in science, the course credit requirement from Discipline Specific Elective courses will be 36 credits. For a student enrolled in a non-Honours undergraduate degree programme in Arts and Commerce, the course credit requirement from Discipline Specific Elective courses will be 24 credits.
 - b) **Generic Elective Course:** A Generic Elective Course is offered by an unrelated discipline and has the objective of broadening the academic experience of a student. A student enrolled in an undergraduate degree programme with Honours can acquire 24 course credits from Generic Elective Courses. A Core Course offered in a discipline may be allowed as an Elective to a student from another discipline. This course will be treated under the category of Generic Elective Courses. Generic Elective Courses are not available to students in a non-Honours undergraduate science degree programme while other non-Honours undergraduate programmes require enrollees to take up two such courses.
 - c) **Dissertation/Project:** Engaging students in a Project/ Dissertation work, which requires knowledge application and problem solving, is considered to be important in the learning process. All students

enrolled in an undergraduate degree program (Honours and non-Honours) will have the option of choosing to undertake Project/Dissertation work for 6 credits in lieu of a 6 credit Discipline Specific Elective course in the fifth semester only.

- ④ **Ability Enhancement Courses:** Ability Enhancement Courses which are to be taken up by students in an undergraduate degree programme will be of two types:
 - ① **Ability Enhancement Compulsory Courses:** These 4 credit courses are mandatory for every student enrolled in an undergraduate degree programme. A student will have to take up 4 credit course in Environmental Science and a second 4 credit course in English Communication/ MIL Communication.
 - ② **Skill Enhancement Courses:** Skill Enhancement Courses will be value-based or skill-based and there will be a pool of courses on offer. A student enrolled in an undergraduate degree programme with Honours will have to take up a minimum of two SEC courses of 4 credits each as part of the programme requirement. For students enrolled in non-Honours undergraduate degree programmes the credit requirement from Skill Enhancement Courses will be 16 credits. It is desirable that the university will prepare Skill Enhancement Courses for various disciplines from the list of SEC provided by the UGC template. However colleges are free to develop their own SECs independently which must have prior approval of the Academic Council.

Skill Development Courses

With permission from the U.G.C., the college proposed to run two skill development courses in the year 2023, such as

- One year Diploma Course in 'Yoga and Self-Defence'
- Six-month Certificate Course in 'Office Automation'

Though last year, the courses couldn't be run properly because of the unfavourable situation caused by the Covid-19 pandemic, the college proposes to continue the courses this year too.

Social Officer of the Skill Development Courses: Himendra Kalita

Remedial Teaching

The college conducts UGS sponsored Remedial Coaching at the T.D.C. level for the students of the Minority Community and closely monitors their progress.

N.C.C., N.S.S. and Gymnasium

The N.C.C. Unit (comprising both boys and girls) of B. H. B. College, Sarupeta earned many laurels in the past years, and is dedicatedly continuing its glorious journey ahead. The N.C.C. Unit has been functioning under the 7th Assam battalion, Dhubri. The Unit has the seat capacity of around hundred cadets. The cadets regularly join various parade competitions and annual camps such as C.A.T.C., N.I.C., Pre-R.D.C., and R.D.C. etc. Three cadets of this unit, namely Baikuntha Machahary (Senior Under Officer), Shantanu Gayari (Senior Under Officer) and David Kherkatary (Senior Under Officer) brought glory to our college by participating in Republic Day Camp (R.D.C.), Delhi in the years 2011, 2012 and 2014 respectively. The unit has been taking part in the parades of Republic Day and Independence Day organized by the civil administration of Bajali Sub-Division. Many a time, the unit secured 1st position in such parades. The Unit has been performing regular activities and other yeoman services, such as cleanliness drive, volunteer services on social gatherings etc., both inside and outside the college campus. The N.C.C. Unit of B.H.B. College is full of vigor and vitality and performs the rendered activities with a great zeal.

Head of the C.T.O., N.C.C. wing- Mr. Rajiv Thengal, Asstt. Professor.

B. H. B. College also has a unit of the National Service Scheme (N.S.S.), which has been carrying out various social works and extension activities such as cleanliness drive etc. inside and outside the college campus. In the years to come, the N.S.S. unit is going to organize many such activities in order to inculcate in the minds of the students a sense of social responsibility.

Name of the Programme Officer, N. S.S. Unit – Mr. Nabamoni Saikia, Asstt. Professor.
