**SYLLABUS FOR CUTTING & KNITTING**

## CUTTING & KNITTING

The cutting and knitting cell of the college was established in 2010. It offers a certificate course. The concept behind establishing the cell is to provide professional training in cutting and knitting to the students of the college. Basic objective of the cell is to give vocational training to acquire knowledge and skills to be able to self employed persons. The students will receive a certificate after completion of the course.

### DURATION:

The duration of the certificate course is six months.

### ELIGIBILITY:

The students who wish to enroll in the course should be class 10+.

### OBJECTIVES:

1. In garment manufacturing Cutting is an important process to make a quality product.
2. Quality full fabric Cutting reduces the wastage of fabric and makes the business profitable.
3. The students enable to take body measurement of the customer.
4. The students can be able to select the appropriate tools and materials for drafting.
5. The students enable to cut the paper pattern as per the measurement.
6. The students enable to measure the length and width of the material/ fabric before starting to cut.
7. Cut the various garment components with precision.

### COURSE OUTCOME/ ADVANTAGES:

The expected outcome after the completion of the course is:

1. To teach cutting, knitting & embroidery to our students and other needy women of the locality.
2. To impart training in handwork & crafts to students and women of the neighbouring areas.
3. To develop self confidence and employment generation among them.
4. Scope for self employment as well as entrepreneurship development and increase of the monthly income.

### ADMISSION PROCESS:

1. The candidates who are willing to apply should have passed class 10 from a recognized board.
2. The candidates should check the eligibility criteria and course details from the college website.

3. The candidates (not college students) should produce the documents necessary for admission.
4. The students shall have to pay the amount for admission and certificate after completion of the course.

**HOW TO PROCURE THE CERTIFICATE:**

The learners shall have to take an examination after the completion of the course. To successfully complete the course and receive a certificate, the learners shall have to secure a minimum of 40%. The examination mode and syllabus will be designed by the instructor of the course. The students who successfully passed the examination shall receive a certificate.
