Webinar on 'Hunger and Malnutrition: India's Status in the World Context' on 28th June, 2021 at Seminar Hall , B.H.B. College, Sarupeta.

A webinar on 'Hunger and Malnutrition: India's Status in the World Context' was organized by the Department of Economics in collaboration with the IQAC of B.H.B. College, Sarupeta on 28th June, 2021. The webinar, convened by Sumit Ghosh, Assistant Professor in the department of economics, got inaugurated with the welcome address by Dr. Birinchi Kumar Das, Principal of the college. In his welcome address, he stated that though the pandemic hit country India, registered growth and development in last two decades, hunger and malnutrition still remain as two areas which requires special attention. M.P. Bezbaruah, Professor of Economics from Gauhati University was the resource person of the webinar, who elaborated all the related issues regarding hunger and malnutrition and progress in eradicating the same in the country. He emphasized that though the problem of hunger became vicious in the country, in the late 1960s, with the introduction of Green Revolution, India has become a food self-sufficient country from a food-scarce country. In the process of eradicating poverty, India needs to have certain policies that would take into consideration the issues related to hunger and malnutrition. He also stated that India's position in Global Hunger Index is unsatisfactory, which requires continuous efforts to completely eradicate hunger from the country. There was a Q & A session where the resource person addressed the questions put forth by the participants regarding the issues of hunger and the state of agricultural scenario in the country. The Webinar was conducted through Google Meet. The webinar ended with the vote of thanks offered by Prabodh Kalita, Assistant Professor in the department of Economics of the college.
