This provides flexibility to the college to assess the students in three different ways, i.e., Sessional examination marks, Home Assignment/Projects/seminars/Group Discussion and Attendance. Based on this, the teachers give the students to furnish the home assignments as part of their internal evaluation marks. The Home assignments for each paper are collected every semester from the students. The marks are allotted to the students on the basis of their performance which is then sent to the Affiliating University to be added to their final marks of their semester examination.</p>	8

	<p>The audit was conducted through a meticulous evaluation of various departments and aspects of BHB College on 9th September 2023, considering best practices, policies, and standards relevant to higher education institutions. The objective was to identify areas of improvement, streamline operations, and ensure the optimal utilization of resources to achieve organizational goals and objectives.</p> <p>Some of the strengths identified during the visit are mentioned below:</p> <p><b>Strengths:</b></p> <ol style="list-style-type: none"> <li>1. Team spirit of the teachers-students and staff</li> <li>2. Best utilization of resources despite limitations</li> <li>3. Sports facility and continuous use of it through community participation</li> <li>4. Diversification of the learning environment</li> </ol> <p><b>Weaknesses:</b></p> <ol style="list-style-type: none"> <li>1. Although some of the individual teachers have contributed to the research paper and books/book chapter writing a generalized culture needs to be developed.</li> <li>2. There is a scope to develop library reading environment</li> <li>3. Land resources are not utilized to its full potential.</li> </ol> <p><b>Recommendations:</b></p> <ol style="list-style-type: none"> <li>1. Encourage faculty to employ diverse teaching methodologies, including experiential learning, collaborative projects, and technology integration, to enhance student engagement and understanding.</li> <li>2. Strengthen student support services such as counselling, academic advising, and career guidance to ensure the holistic development and well-being of students.</li> <li>3. Implement a system to optimize resource allocation and utilization, aligning with institutional priorities and goals.</li> <li>4. The administrative office needs modernization and the allocation of more space to it.</li> </ol>	

	<p>4. Establish a structured professional development plan for staff to enhance their skills, knowledge, and capabilities, contributing to a more competent and motivated workforce.</p> <p>5. Foster a culture of open communication and transparency within the organization, promoting effective information flow and collaboration among all stakeholders.</p> <p>These recommendations are based on the audit findings and aim to propel the institution towards excellence, ensuring a conducive environment for learning, growth, and development.</p>
