

Action Taken Report on Academic and Administrative Audit

1. Teachers are advised to develop MOOCs courses and upload more class materials in the institutional website.
2. Steps are taken through Career Counselling Cell to organize more career counselling related programmes.
3. The institution is constantly trying to utilize its resources in the best possible way. The college pond and 2 bighas of land are given in lease. The institution also earns by selling dead trees and waste materials.
4. To modernize the college administration, the institution implements ERP system in administration, finance, monitoring, grievance redressal etc.
