FROM PRINCIPAL'S DESK

A hearty welcome to all of you. Bhawanipur-Hastinapur-Bijni College, known in short as B. H. B. College, has a glorious history since its inception. This college is the result of the endeavours of some visionaries of this locality, who could realize the importance of dissemination of higher education among the poor common people inhabiting in three historically significant mauzas namely Bhawanipur, Hastinapur and Bijni, and their selfless efforts brought fruit in the name of B. H. B. College, the first of its kind in this vast area, on the 1st of July in the year 1971. Late Rajanikanta Choudhury, a man with a dream as well as a great aspiration, took the reign of the college as its founder Principal. Since then, this college that has celebrated its Golden Jubilee now has been moving forward aiming at its desired goal of catering to the needs of the students who come here with a desire to make themselves capable of serving the nation by equipping themselves fully with excellence in education and other areas of human endeavours. This college has been able to obtain B++ Grade with CGPA 2.78 in the seven point scale in the assessment and accreditation by the MAAC in 2016. The college is now ready to gear up more to meet the recent challenges of higher education and move with the need of the times.
